

AIM program provides low cost health insurance coverage to uninsured, low income pregnant women and their infants. AIM is part of California's efforts to increase health coverage of pregnant women and their infants. The average subscriber is a married woman, living in a household with a family income between 200-300% of the federal poverty level. A pregnant woman and her infant(s) enrolled in AIM receive their care from one of eight health plans participating in the program. Babies born to expecting mothers who enroll in AIM after July 1, 2004, will be automatically enrolled in the Board's Healthy Family Program (HFP) upon birth .(See below for information on HFP) Babies born to pregnant women enrolled in AIM prior to July 1, 2004 receive their health coverage under the AIM Program. The pregnant woman participates in the cost of her health care services through a low cost subscriber contribution. The State of California supplements the subscriber contribution to cover the full cost of care. AIM is funded from tobacco tax funds. For an application Call toll free 1-800-433-2611.
